## **ELITE ENERGY LLC TERMS AND CONDITIONS**

### **PAYMENT TERMS:**

ELITE ENERGY LLC ACCEPTS CASH, CHECKS (established customers only) and most CREDIT CARDS. ELITE ENERGY LLC is a C.O.D business and therefore payment in CASH OR CHECK is expected upon delivery. Customers who pay by credit or debit card will have a pre-authorized charge placed on their card for the estimated amount of fuel to be delivered and this will be finalized and adjusted after delivery is made.

Customers shall incur a \$35.00 charge for each returned check. Postdated checks will not be accepted. If paying by cash or check, payment must be left secured to the fill pipe at time of delivery. If a customer wishes to hand driver cash or check personally, this needs to be ready at time of delivery.

**\*PLEASE NOTE, FOR PAYMENTS MADE WITH CASH OR CHECK, WE DO NOT DO REFUNDS. ANYTHING REMAINING THAT COULD NOT BE DELIVERED WILL BE PLACED AS A CREDIT ON YOUR ACCOUNT.**

### **TANKS/OIL LINES:**

ELITE ENERGY LLC assumes NO responsibility or liability of any kind for the condition of the existing tank and oil lines. The customer is the owner of the tank/oil lines and shall retain all responsibility and liability for any and all environmental/property damages caused by any leaks from the existing tank or oil line and agrees to indemnify and hold Elite Energy LLC harmless from any and all damages and liability arising from or caused by such leak.

**Elite Energy LLC WILL NOT deliver heating oil to any property without a properly working vent alarm/whistle.**

Access to fill pipe location and tanks must be clear from snow/ice/debris. If access to pipe or tank location is deemed unsafe by the delivery driver, the driver WILL NOT deliver, and delivery will be rescheduled with a \$30 fee.
